About Denbigh and Flint Show The Denbigh and Flint Show site sits in the heart of the beautiful Vale of Clwyd, Denbighshire, North Wales. Taking place on the third Thursday in August each year, the Show attracts around 20,000 visitors. We have a wide range of livestock and equine competitions including the popular show jumping. Our sections also include vintage, countryside, horticulture, arts, and crafts, baking and photography. Other popular attractions are the wonderful Food Hall, and the exciting shearing competitions which always attract a lot of attention, and plenty of entertainment for all the family. With some 200 stands at the Show every year, the Trade area provides shopping of every sort to the visitor and a great business opportunity for the Trader. We work hard to improve and develop the Show year on year to give visitors new and exciting things to enjoy during the day.

On Show Day, almost 200 volunteers help to make the day a success, joining top standard Exhibitors and Judges from all over the country as thousands of rosettes are given out, and nearly 150 magnificent prizes are battled for throughout the various sections. **Comments from visitors on our social media include:**
